Dear Sir

I beg to acknowledge the receipt of your letter of the 14th October also 1st and 10th of December, which I received here over a month ago but had no opportunity of answering it before this. I am sorry to see by the Balance Sheet of the Post made last year, the only way I can account for it is the high prices paid for Pans

the advances to Indians last year was certainly a much but I expected them to ~~make a better~~ catch of Pans than they did. I expect and hope that they will pay up this year as Pans are more plentiful out north than last year

I still endeavor to do my best for the interest of the Company
I remain yours
Obedient Servant

J. W. S.
