

February 1936

Thursday 6

50 below this morning and very cold
all day and very little driving
the trails all drifted over Frank's
churn for the mail
56 below to night at bed time

Friday 7

continued cold and stormy
52 below this morning and cold all day
I drove over to the H B Store
and saw Mr Bartman the
District Manager who came in on Monday

Saturday 8

Cold and stormy 48 below this
morning I was busy at fire wood
Frank got the mail started to snow
this evening blowing a strong North wind

Sunday 9

Cold and stormy with snow
and blowing a strong North wind
45 below to night

Monday 10

A fine clear day I was busy
at firewood Frank traveled
to load up Bud
50 below to night at bed time
